Love Lives On

I fall asleep in the full and certain hope  
That my slumber shall not be broken;  
And that, though I be all-forgetting,  
Yet shall I not be all-forgotten,  
But continue that life in the thoughts  
and deeds  
of those I have loved.

## **WORDS FROM MOTHER**

Son, you were the joy of my life. We laughed & cried together. I will miss your beautiful smile and your crazy ways. You will forever live in my heart.

*"I love you William my son"*

## **TO MY CHILDREN,**

I'm so sorry daddy had to leave y'all. I need y'all to be strong and always be there for each other.

Daddy loves you, and always will.

Even though I'm not here in flesh.

I will always be with you in your minds, bodies and souls.

I need y'all to know that daddy never stopped loving you.

Be good and keep my love safe until we see each other again.

*Love Daddy*

## *HELLO MY LOVE,*

Writing this is very hard for me. I'm still in shock and I can't believe it. Words cannot express the way that I feel. You were a remarkable man and always sacrificed yourself for others.

Over these 5 years of us living together, we have went through some crazy things, sad times, some truly ridiculous times and a whole lot of good times.

I love all of the times, no matter what.

I have weathered plenty of storms; the great thing is we did it together.

You were always here to make me laugh, wipe away my tears and teach me to be strong.

I miss you baby so much, and I just want to let you know that I'm being strong and holding it down for us. You are MY EVERYTHING and that will never change.

*Love of Your Life,  
Kim (Booty)*
