# BARROW

On March 07, 1956, a beautiful baby girl was born to Ruby Davis. Her name was Sharon Lucille Davis. She was the eldest of four children.

Sharon was baptized at Greater Mt. Olive Baptist Church in Eagle Lake, Texas, and she confessed to Christ at an early age. Sharon attended E.H. Henry in Eagle Lake, Texas and Jack Yates High School in Houston, Texas.

On May 1, 1985, she married the love of her life Louis Ray Barrow. To their union, eighty children were combined and became a family. Sharon was a pillar to the community. She was a true mother figure, a woman regarded as a source of nurturing support. Sharon worked tirelessly to provide opportunities for her children and grandchildren throughout her life.

Sharon was a compassionate spirit whose passion was caring for others. There are friends, there is family and then there are friends that become family... the latter, was Sharon Barrow. Sharon will always remain to be the best mother and grandmother her family and the rest of the world will have ever known. One thing that is certain, is that she loved GOD with her whole heart and made sure her family did too. Preceding her in death were: her mother- Ruby Davis, her grandmother- Lucille Roy and Brothers- Ernest, Ervin and Ronald Davis. She leaves to cherish her precious memories: husband Louis Barrow, son - Kenneth Davis (Theresa), two daughters - Georgina Davis and Michell Davis, five grandchildren - Ashley J. Carroll, Dashia Sharon Davis, Ro'Odevion Shelton, Ro'Davion Davis, Quincy Lewis and a host of relatives and friends.

# MEMORIES

A sweet message to my Grandma, I'm sorry you will not be at my wedding [if I ever marry], and that you will not meet the great-grandchildren you always joked about. I will miss calling you about a recipe, and you texting me a recipe that you wrote on a notecard for me to try. I am glad I got to share many of my major milestones with you, from a child to an adult. I can't thank you enough for being my grandmother. I don't know how you did it. You faced some incredible challenges that I can't imagine facing. So, to you grandma, I say thank you. Thank you for being the incredible woman you were. I'm so thankful to have had the connection we did. Finally, you can breathe easily, without a struggle. Finally, you are reunited with your mother and brothers. And finally, you are home. It's hard to let you go, but I know you're always there and you will always guide and protect me. **Love, Ashley**

Granny, A woman you had to know, to love and understand. Thank you, for not only bringing me to fish but teaching how to fish. I'll never starve thanks to you. Thank you for always being there for me and never letting me down. I'm so grateful for that and honored to be named after you. I'll always love you and miss you until we meet again. **Love, Daisha Sharon**

Granny (Sexy), when you went towards the light, you took my heart with you. I miss you so much. I look for signs from you every day. I just hope that you can feel my love in heaven. **Love, Ro'Odevion (Ro Ro)**

Grandmothers are famous for their hearty meals and fresh baked cookies, their abundant hugs and kisses, and their insistent desire to spoil their grandchildren. Times spent at grandma's house are often marked by love, laughter, and contentment. In fact, grandmothers are often responsible for bringing the whole family because grandmothers are such a source of joy for their grandchildren. They are always sorely missed when they pass away. To lose a grandmother is to lose a most valuable family member. Granny we will always love you. **Love, Ro'Odevion (Pop) & Quincy (Scoop)**

# Loving

A tribute to my dear wife, As we celebrate your life. I will take this opportunity to share with all that judged our marriage. Sharon you would always tell me "Whatever we do don't have anything to do with them." As long as we know what we have, that's all that matters." And you were right! Only God can judge us. We shared the emotions of overwhelming compassion that many will never experience or understand. Next to God you were the single most contributing factor to my happiness. I proclaim to the world that you will always be my special love. **Your husband, Louis**

My dear mother, There are no words to tell you what losing you has meant to me, but I know each day will bring memories of the happy years we share. I know you would want me to smile again and that's just what I will do, everytime I reminisce, with loving thoughts of you. You'll always be with me and forever in my heart. **Love your son, Kenneth**

To my loving Mother, How did you find the energy to do all the things you did, to be a teacher, a nurse and a counselor to me, when I was a kid? How did you do it all, to be a chauffeur, a cook and a friend? And yet still find time to be a playmate, I just can't comprehend. I see now, it was love, that made you come whenever I'd call... your un-exchangeable love. I thank you for it all. **Your daughter, Georgina**

Momma, A million times I've needed you. A million times I've cried, If love alone could have saved you, you never would have died. In life I loved you dearly, in death I love you still. In my heart you hold a place, no one else can ever fill. It broke my heart to lose you , but you didn't go alone. Part of me went with you, the day God took you home. **Love, Michell (Baby Girl)**
